

Resolution following the results of the round table “Intersex and Trans* Movements: Towards Cooperation”

The activists of intersex and trans* movements who took part in the round table “Intersex and trans* movements: towards cooperation” agreed on the implementation of cooperation in the following areas:

1. Increasing the correct representation of intersex and trans* individuals in the media.

2. Increasing the availability of quality, intersex and trans* competent and ethical care for intersex and trans* individuals in compliance with the principles of self-determination, bodily integrity and voluntary informed consent of patients.

3. Creating a transparent, accessible, understandable and quick procedure for changing documents based on gender self-determination for intersex and trans* individuals.

4. Protection of reproductive and parental rights of intersex and trans* individuals.

The resolution was approved by the following organizations and individuals:

- Association of Russian Speaking Intersex
- NFP+
- Intersex.Ru
- Resource Center for LGBT, Yekaterinburg
- Trans-initiative group "Atmosphere"
- “Samara LGBT movement Avers”
